Student Council Sausage Sizzles

The CBS Student Council would like to thank everyone who supported our sausage sizzle fundraisers last term.

Over three lunchtimes, the students of Campbells Bay School ate their way through 850 sausages, 40 loaves of bread, 2 bags of onions and 8 bottles of tomato sauce!

We couldn't have done it without the help of several wonderful parents and also our chief 'bbqer', Mr Walker.

We have raised over \$700 and we are very happy to be able to use some of this to pay for the CBS Waterwise boat sponsorship for this year.

The Student Council has also decided that the bike shed and bike racks could do with a bit of a spruce up, so we are planning to put the rest of the money towards this. Keep an eye out for the Student Council painting team out there with their paint brushes later this term!

Important Reminder

Hats

This is the term when the wearing of the official school hat is compulsory. It is not an option and no other hat is acceptable.

While the official school hat is, arguably, not the height of fashion, it does what it is designed to do, namely to provide protection from the sun.

As all students must wear this hat they are all in the same boat, so to speak. Please ensure your child has a clearly named hat at school each day. Thanks.

Mathletes of the Week

Congratulations to Adam Qiu from Room 6S.

You are the Senior Mathlete of the week!

Congratulations to Charlotte McCarthy from Room 23.

You are the Junior Mathlete of the week!

The Mathletes of the Week are the top students in the senior and junior schools who has mastered the most concepts in Mathletics.

Although the school is closed for this day the school must open open for a required number of days in the year. You can be assured we are complying.

Lost CBS Fleece

Mikayla Rothery left her brand new school polar fleece on the deck outside the field classrooms, and it's now missing!

It is named, and brand new, so she would love it (and her Mum even more) if everyone could check theirs to make sure they haven't got hers by accident.

It can be returned to her in 5G if found please.

Police Vetting: Urgent & Important!

Only adults who have had a police vet will be able to help with school activities from January 2017 onwards.

As obtaining a police vet takes time, if you are considering being available to help with school activities in any way in 2017 please act now, as follows.....

Please go to the school website to 'Police Vetting for Volunteers at CBS' under Parent Information and complete the form and attach photocopies as per the instructions.

Please note a police vet remains current for three years after the date of issue by the police.

Absences

Just a reminder that if your child is going to be absent from school, we request you advise the school office before 9am, **not just the class teacher.**

Email: safetycheck@campbellsbay.school.nz, use the Flexibuzz App or call 410 9551.

For extended holidays ie: more than one day, a request should be made to Mr McGowan for the time off. These requests can be emailed to:

admin@campbellsbay.school.nz.

This is a Ministry of Education requirement.

We work very hard at keeping your children safe at school and appreciate your assistance with our process.

Park safely and keep our kids safe

This term our school is participating in Auckland Transport's 'Safety at the School Gate' programme.

Drivers who stop in the wrong place to drop off passengers put the safety of children at risk. Parking officers will be on patrol outside the school this term and will be issuing tickets to drivers who park illegally.

The agreed approach is 'zero tolerance' – There will be no warnings issued, you will receive a ticket if you are double parked, parked on yellow lines, or over someone's driveway – or for any other vehicle safety offence.

Please park legally to keep our children safe and to avoid being ticketed.

Safety at the School Gate

Park safely outside schools

Before and after school is a busy time for everyone. Parking rules help protect our children and keep them safe. Drivers who park illegally put our kids at risk.

This term parking officers will be on patrol outside your school to issue tickets to those who are illegally parked.

Fines for illegal parking include:

- | | |
|--|------|
| • Parked on the footpath or grass verge/ berm | \$40 |
| • Parked across or within 1m of a vehicle entrance | \$40 |
| • Parked within 6m either side of an unmarked bus stop | \$40 |
| • Parked within a marked bus stop | \$60 |
| • Parked within 0.5m of a fire hydrant with no one in the car legally capable of moving it | \$60 |
| • Parked within a designated bus lane, transit or cycle lane | \$60 |
| • Parked on a clearway | \$60 |
| • Double parked | \$60 |
| • Inconsiderate parking to other road users, including pedestrians | \$60 |
| • Parked on or within 6m of an intersection | \$60 |
| • Parked on a pedestrian crossing | \$60 |
| • Parked on a broken yellow line | \$60 |

These parking offences are detailed in the New Zealand Road Code.

Thank you for your cooperation.

National Rippa Rugby

A huge congratulations to our National Qualifying Rippa Rugby Team on their success in the knock out round of the National Rippa Championship in Wellington last Term. The results of these rounds were as follows:

Quarter-final: Won 7 - 3 against Tasman

Semi-final: Won 4 - 3 against Auckland

Final: Lost 4 - 5 against Poverty Bay

An amazing result to be silver medalists and finish second overall. There were 2,300 schools that tried to make it to Wellington and 20 regional teams that got to compete in Wellington!

Synchronised Swimming Achievement

Georgia Fraser-Mackenzie (Room 6S) competed in the Synchro Swim NZ National Championships held in Invercargill during the school holidays.

Georgia and her team competed in the 12U Team Category and won the gold medal for their performance, competing against teams from around NZ and a visiting team from China. Georgia will be travelling to Singapore in November with North Harbour Synchro to swim this same routine at the Singapore Open against other 12U teams from around Asia Pacific.

The club is incredibly proud of Georgia's performance which is the result of many extra hours of training. Georgia also swam her first solo, in the 12U category, competing against swimmers from around NZ, New Caledonia and China.

Georgia's sister, an ex student of CBS, Amber Fraser-Mackenzie, has been selected for the NZ Development team and will also travel to Singapore to represent New Zealand in the same competition.

Monday 27 November to Friday 1 December

The book week committee are very excited as our book week is in week seven of this term! The two visitors we are showing this week are illustrator Ross Kinnaird and author Rosie Boom.

Ross Kinnaird was born at a very young age in Hamilton New Zealand. Because of having such a young start in life, he decided to grow up as quickly as possible to catch up with other children. However, he didn't like it and decided to grow down again. He first began illustrating children's books in 2002 with the popular *Why Do Dogs Sniff Bottoms?*, by Dawn McMillan, which won the Children's Choice Award at the New Zealand Post Children's Book Awards. He has since gone on to illustrate several books, including two written by William Taylor for the 'Kiwi Bites' series. In 2007, his collaboration with Sharon Holt, *It's True! You Can Make Your Own Jokes*, was nominated as a finalist in the non-fiction category of the New Zealand Post Book Awards. Ross has worked as an illustrator and designer in London, Sydney, Hong Kong and Auckland where he now lives. We are very excited about having him come to this year's book week. For more information about Ross go to <http://rosskinnaird.blogspot.co.nz/>

Our next visitor is author **Rosie Boom** is a wife and homeschooling mother of six children, living in rural New Zealand. She and her family live in a 90 year old barn which they made into their home. Rosie spent some of her childhood in Papua New Guinea, where she had weird and wonderful pets, jungle clubs and huts by the river.

Her family came home to NZ when she was ten years old. She trained as a nurse and worked for the next ten years in both public and private hospitals and as a practice nurse in a doctor's surgery. Rosie finished nursing when her oldest son was born, and since then has swapped her nurse's uniform for her teacher's garb. Rosie has been homes-schooling now for 22 years but whenever she gets a spare moment, she loves to write!

Her books include *Where Lions Roar at Night*, a family read-aloud book telling all the fun and adventures they had in their first year of living in the barn. The second book in *The Barn Chronicles*, *Where Arrows Fly*, was published in 2010 and the third book in the series, *Where The Crickets Sing*, was released in May 2012. The last book in the series *Where the River Rises* was published in 2014. For more information about Rosie go to <http://www.rosieboom.com/>

We look forward to being entertained by Rosie and Ross during book week later this term. There are still sponsorship opportunities so please contact Tash at tashbart@gmail.com

Fitness4Kids - After School Fitness Club at CBS Term 4!

Registrations are now open for Term Four 2017!

Fitness4Kids is an after school fitness programme designed to develop and build your child's general fitness and games skills through lots of different methods including use of hoops, bean bags, balls, scarves, and the parachute.

In Term Four we hope to be outside and we will be working with our FitKids to improve fitness and strength as we look towards the 2017 spring sports seasons.

We will have two trained coaches to lead, supervise and nurture each child at their specific level. We always have fun and parents don't need to fight 3pm pickup traffic!

Meet outside the PA Room, Thursdays 3-4pm

\$100 for Term 4 2017 - email Tash at tashbart@gmail.com.

SUMMER IS JUST AROUND THE CORNER!

At sKids we are dedicated to growing awesome kiwi kids, which is why, we are delighted to introduce a new range of extracurricular & academic opportunities for kiwi kids to enjoy.

BRAIN PLAY

These programmes have been developed by Brain Play. An organization committed to enriching kids education through hands on learning, creativity and fun!

Building Confidence

From learning robotics, and creative writing to becoming a Maths Wizard, the benefits in participating are huge. Whether that is discovering a new passion, or receiving a confidence boost by mastering a math's concept, the benefits are life changing!

Convenient One less drop off!

With programmes being run at the sKids Center, you avoid After School drop offs to activities far far away, and of course pickup is easy too.

OSCAR subsidies available

All programmes are subsidized by Oscar, which means participating in the programmes won't break the bank! Subsidies though are subject to eligibility.

Coding

This course will teach students of all ages basic coding concepts that they can use to control game characters, make animations, design online games, and even give instructions to robots! We'll use a combination of simple drag and drop interfaces and real programming languages throughout the term.

Robotics

This course will introduce students to robotics in the most practical way possible. We'll cover content from planning and piecing together fully functional robots, to controlling their every movement using computer programming. We'll interact with different robots and their amazing add ons to complete a series of projects over the term.

Maths Year 1-3

This mathematics course will cover content your child is learning in class, and help them practice and build confidence in important topics including number sequencing, basic facts, dollar values, and time telling.

Maths Year 4-6

This mathematics course will cover content your child is learning in class, and help them practice and build confidence in important topics including fractions and decimals, problem solving, and an introduction to Algebra.

English Year 1-3

This creative writing course will help your child practise and build confidence with content they're learning in English class including spelling, forming phrases and sentences, using nouns, and punctuation.

English Year 4-6

This creative writing course will help your child practise and build confidence with content they're learning in English class including paragraph and narrative structure, extending vocabulary, using synonyms, adverbs and adjectives, and extending their skills to independently write academic essays.
