## MATHATHON Reminder

You have until Monday to have brought into school sponsorship money in order to be in to win the top three class awards; a mufti day for those lucky three classes only!

This year the goal is \$18,000 towards refurbishing and extending our school hall. If we reach this target, Mr McGowan will paint his face in a character of your choice! But we must achieve \$18,000 before the children can vote.

### *Friends of Campbells Bay School*

## Welcome

We welcome Angela Brown as the new teacher for Room 32.

Angela, from Kristin School, is taking over from Christine McLean who started this new entrant class at the start of this term until Angela completed her contractual obligations at Kristin. Thank you, Christine, for being so accommodating. Christine will now return to her role as the literature teacher based in the Learning Hub while Angela welcomes new children to her class until we open our next new entrant class.

## Mathletes of the Week

Congratulations to Jinee Son from Room 5S.

You are the Senior Mathlete of the week!

Congratulations to Anton Williams from Room 23.

You are the Junior Mathlete of the week!

The Mathletes of the Week are the top students in the senior and junior schools who has mastered the most concepts in Mathletics.

## A Bird in the Hand.....

.....made a bird owner very happy last week. Thanks to the quick thinking of two CBS teachers, Helen Scrivener and Mathew O'Hagan and the wonder of modern technology a pet cockatiel was reunited with its owner.

On Sunday the cockatiel escaped and later in the week it perched upon Helen and then Mathew before the said bird was placed into secure accommodation in the office and an alert put out via our app. This was picked up by a parent who put the message of the found bird on Neighbourly and, presto, bird and owner were reunited.

A great true life story of common sense combined with technology making a positive difference.

## Keeping Your Child Safe

Today, when children close the door as they enter their house they are not always closing the door to the outside world, especially if they are on any number of platforms.

I urge you to take the time to read the article from Rachael Aitken on safety ([Page 5](#)). It very much complements the sessions Joe Lanning has been holding in the learning hub.

The essence of the article is just as important as using appropriate safety seats in cars or making sure your home is fitted with smoke alarms when it comes to the safety of your children.

## Year 4, 5 & 6 Cross Country

This event will be held on Thursday 24 August.

The start time will be 10.00am which differs slightly from the time sent out previously.

The Year 4 students will start first with Year 5 and 6 starting after morning tea at 11.00am

Students are expected to wear school uniform to school, but they can change into running shoes and clothes before the event.

We'd love to see you there to encourage and support your child.

NUMBER 27

21 August 2017

## New Addition

Congratulations to Whau Lani, our Maori language teacher assistant, who had her eighth and final baby early this morning!

Baby Amen was born at 4.15am 21 August 2017, weighing 12 pounds 9 ounces.

Mother and baby doing extremely well.

Thanks so much to the lovely kids and parents who baked some delicious cupcakes for the SPCA cupcake day fundraiser. Really appreciate the effort! We sold out and raised \$232!!

Thanks to Mrs Frank for her help and to Amalea's friends Kate and Annie (and Annies' mum Angela) who helped with the sale. Also, thanks to everyone who came to buy a cupcake! Sorry if some of you missed out on a cupcake. Hope to do it again next year and have more cupcakes to sell so nobody misses out. Let me know if you are interested to help.

If you weren't at school and want to donate to the SPCA cupcake day online you can go to our fundraising page:

<https://spcacupcakeday.gofundraise.co.nz/page/MelinoAmaleaGardi0>

## Police Vetting: Urgent & Important!

Only adults who have had a police vet will be able to help with school activities from January 2017 onwards.

As obtaining a police vet takes time, if you are considering being available to help with school activities in any way in 2017 please act now, as follows.....

Please go to the school website to 'Police Vetting for Volunteers at CBS' under Parent Information and complete the form and attach photocopies as per the instructions.

Please note a police vet remains current for three years after the date of issue by the police.

## Absences

Just a reminder that if your child is going to be absent from school, we request you advise the school office before 9am, **not just the class teacher.**

Email:

safetycheck@campbellsbay.school.nz, use the Flexibuzz App or call 410 9551.

For extended holidays ie: more than one day, a request should be made to Mr McGowan for the time off. These requests can be emailed to:

admin@campbellsbay.school.nz.

This is a Ministry of Education requirement.

We work very hard at keeping your children safe at school and appreciate your assistance with our process.

In today's digitally accessible world it is very easy to consider social media forums such as Instagram, Snapchat and Facebook as exciting and age appropriate platforms for our children to use. When using them as they are intended this could be argued that they are safe. However, as a school we do not support the use of these social media forums for our students.

**Here is why:**

The rule of thumb for most social media platforms is that users must be 13 years old or older.

If you or your child create an account and lie about your child's age, consider the following:

- 1.) We would not role model lying to a police officer about our ages, or a security guard and we should consider this as just the same setting up an account the same.
  - 2.) The advertising children are exposed to during their app use, is based on this age. Take for example a ten year old, with parent's permission opens an account. The social media platform believes that child to be 13 years old. When they have been using it for a few years, it will believe the user to be 16 years old and advertise and influence the images/information/stories accordingly. Information and imagery a 13 year old should not need to filter or be exposed to.
  - 3.) The skills needed to use these platforms are developmentally not suited for under 13 year old children. Skills such as keeping personal information private, filtering and screening friend requests and coping with the social pressure. Thus creating a vulnerability to our children to be targeted by predators online, cyber bullies or making mistakes themselves, which they would not have made, if they have not been using social media too young.
- John Parson notes that it can take a predator sometimes only four minutes to find out a child's address, routine and befriend them, even when they have locked "private accounts." This is also based on the vulnerability of the age they are. Find more information on how to keep your child safe: <http://timesofindia.indiatimes.com/photo/59899974.cms>
  - To conclude, giving students access to social platforms that are restricted to users over 13 years old places undue risk and stress on our children. Please speak with your child's teacher if you are concerned about their use of social media.

**Footnote:** as a school we are teaching students how to navigate social media platforms in the form of Google Apps for Education. There are a number of child friendly social media apps as alternatives.

Please be aware that most online gaming such as Minecraft have chat and messaging services. You do not have to stop your children playing those games but ensure they have the appropriate supervision and knowledge of what to do when other players reach out to talk to them. Remind children that should a stranger in a supermarket ask them their address and name and information about their family, they'd likely not answer, or they would find their parent to inform them and ask if it is okay? The same applies for the online chat world; students need to know it is the same thing. If in doubt, ask a parent.

If your child is on one of the appropriate social forums, be their first friend request; have their log on and password details; check it regularly and get involved in what they are doing. As we know, not only for online scenarios but all experiences, your family values have the most influential part to play in avoiding risks.

## RUNNING CLUB:

Running club will still be on this week. This week sessions will be held on Tuesday and Wednesday mornings. Meet Mrs Maunder outside room 37 at 8:10am. Please make sure you have suitable shoes for running. We will still run if it is raining lightly. Please wear other suitable running clothes and bring a dry school uniform to change into afterwards. There will be no running club on Thursday morning due to the cross country later that day.

## Another enjoyable and successful year of rugby for CBS teams

This year our rugby teams once again competed in the East Coast Bays Module of the Primary Schools' Rugby Tournaments. There were three tournaments played at East Coast Bays Rugby Club at Windsor Park over term two and term three. We had nine rippa teams and one tackle team competing in the tournaments. That was a massive 110 kids from year three to six participating!

All our teams showed dedication and commitment and played well as a team, always giving 100% on the pitch. There were plenty of smiles on and off the field and it was awesome to see everyone enjoying themselves. Our students were fantastic ambassadors for our school and we ended the three tournaments with some extremely good results. Our year three boys rippa team held their own really well against some bigger year four teams, getting in a good few wins. Our two year four boy's teams dominated their grade and put on a great display of how the game

should be played. The year three and four girls' rippa teams, mirrored the boy's performances. The year three and four girls CBS Purple team won seven out of nine of their games and the year three and four girls Pink team finished top of their grade, undefeated with nine out of nine wins! What a great team effort girls!

In the year five and six rippa and tackle competitions, the top two teams from each competition get invited to participate at the semi-finals tournament. At this tournament the top teams play against the other top schools from the other tournament modules across North Harbour. For the second year running, our year five and six tackle team, year five and six boys Red rippa and year five and six girls Gold rippa teams all came through their nine games undefeated and were selected as one of the top schools to participate in the semi-finals tournament later this term. The best of luck to these teams as they move on to compete in the semi-final round.

A huge thank you to all the parents and family members who came out to support our teams over term two and term three, and thank you to all the teachers and parents who gave up their time to help coach and manage our ten teams. It is hugely appreciated.

## T-Ball Competition a big hit!

Last Wednesday North Harbour Softball hosted their first cluster day for T-Ball for primary schools. We had three teams go along to this day. T-Ball is a junior version of softball and most of our students were giving it a go for the first time. It was fantastic to see so many new faces out representing CBS at sport. Our teams gave it their all and improved with every game, going from strength to strength as the day went on. It was clearly evident from the smiles on the kids faces and the positive encouragement to each other that everyone was having a great time! At the end of the day the organisers commented on how well behaved our students were and what great, positive attitudes they displayed. A proud moment for our school!

Congratulations to the CBS White Sox (James Charlesworth, Marlon Carkeek, Conrad Nicholson, Taylor Candale-Griffin, Oliver Day, Luke Nauer, Theo Manning, Ryder Heath, Felix Creasy, Mikey Gambitsis and Edan Keeley) who finished the day as runners up.

Thank you to Darren Walker, who helped with the set-up of our school gazebos and with coaching of our teams, and to the parents who took time out of their day to come down and support us.

## North Shore Primary Schools' Chess Competition 2017

On Tuesday 8 August, CBS had two chess teams competing in the North Shore Primary Schools' Chess Tournament. This took place at Wairau Intermediate School and there were twenty seven teams from schools across the north shore.

Our teams were made up of students from year three to six. The students were focused and applied what they have learnt in their Tuesday lunch time chess sessions at school. There were some very closely contended games with not much between the teams on the final points standing.

Well done to Aidan Harpur, Ethan Zhang, Julian Langbein and Phoenix Ma, who made up the CBS A team, and who finished in tenth position. Our B Team, which consisted of Silas Gelberger, Boris Dimitrov, Logan Mander and Pablo Morles, did very well to finish in seventeenth position out of twenty seven teams.

Our students are to be congratulated on their outstanding behaviour and good sportsmanship. Well done boys!

## Student Success

Alex Xu participated in the Auckland Open Taekwondo Championship last weekend and achieved a Silver medal. Alex had two weeks notice to prepare for this event and his result is a testament to his dedication and perseverance.

Well done Alex.

# The Penguin Writing Challenge

Are you passionate about wildlife, the ocean, your community or conservation? New penguin states have been placed at Campbells Bay and the council intends to place a sign next to the new penguin statue at the playground.

An unveiling of the new sign is going to take place and Campbells Bay School students are invited to share in the ceremony.

The sign will state:

## ***The Penguin Story***

*Penguins have been swimming in the low tide pools at Campbells Bay Beach since the 1970's.*

*The Bird Lady (Sylvia Durrant) and the Penguin Lady (Annwyne Standish) have been helping these stranded, sick or injured penguins to recover so they can go back to sea.*

*This penguin is named after them. Can you find the other 5 penguins?*

## **Penguins of Campbells Bay Writing Competition**

Write an information report about the penguins at Campbells Bay and publish your writing.

*What species of penguin are they?*

*Where do the penguins nest and sleep?*

*How can we support the Penguin Lady and care for the penguins?*

Get your teacher to submit your published writing to Miss Borowski in Room 5P by Monday 28 August.

**The top 3 pieces of writing will be chosen to be read at the unveiling of the penguin states.**

**15 Students will be chosen to go on a walk down to the beach to see the penguin states and maybe even the real penguins!**
