PINK SHIRT DAY: FRIDAY MAY 26

Pink Shirt Day is this Friday 26 May and we are hoping that students will embrace this day by wearing a pink top, t-shirt and /or accessories (e.g a wig!). Please do not buy anything for this day!

What is it? Pink Shirt Day Aotearoa is a national initiative led by the Mental Health Foundation of New Zealand aimed at generating discussion and education to combat bullying. Pink Shirt Day is about working together to stop bullying by celebrating diversity and promoting positive social relationships.

Key Idea: Speak Up, Stand Together, Stop Bullying.

What does Speak up. Stand together. Stop bullying mean?

Speak up

Giving voice to a problem is the first step towards addressing it. Having conversations with your friends, family, whānau, children, parents, teachers, students and wider communities is a great way to come up with ideas and strategies to address bullying. Speaking up is also about asking for help when you need it. This can be scary, and sometimes the first person you ask can't or won't do anything to help you. Keep asking. Pink Shirt Day shows there are many people who care about supporting you.

Stand together

Bullying behaviour is influenced by the actions and values of friends, families and whānau, schools, workplaces and whole communities. Real change happens when we stand together, sending a strong message that there is no place for bullying in New Zealand. Bullying often makes people feel alone, but Pink Shirt Day shows that many people care. Many people want to play their part in making New Zealand a safe, welcoming and respectful place for everyone, regardless of age, sex, gender identity, sexual orientation, ability, or cultural background.

Stop bullying

On Pink Shirt Day, look out on the sea of pink and know that together we can stop bullying.

School Closed

The school is closed on Friday 2 June and Monday 5 June 2017.

For reasons of the closure on 2 June, please see page three.

Farewell and Thank You to Nikki Urlich

There is an amendment to the notice in the newsletter last week regarding the farewell to Nikki Urlich.

This will take the form of a farewell and thank you school assembly to be held at 11.00am on Thursday 1 June in the school hall.

Members of our school community are most welcome to attend.

Mathlete of the Week

Congratulations to Chloe Seo from Room 5Silver.

You are Mathlete of the week!

The Mathlete of the week is the top student in the school who has mastered the most concepts in Mathematics.

Field Closed

The field remains closed because of maintenance work in the holidays.

That's the bad news. The good news is the contractor has advised us we could consider opening the field or part there-of later next week.

Hence, if you are interested in the status of the field please check the newsletter next week.

Police Vetting: Urgent & Important!

Only adults who have had a police vet will be able to help with school activities from January 2017 onwards.

As obtaining a police vet takes time, if you are considering being available to help with school activities in any way in 2017 please act now, as follows.....

Please go to the school website to 'Police Vetting for Volunteers at CBS' under Parent Information and complete the form and attach photocopies as per the instructions.

Please note a police vet remains current for three years after the date of issue by the police.

Absences

Just a reminder that if your child is going to be absent from school, we request you advise the school office before 9am, not just the class teacher.

Email:

safetycheck@campbellsbay.school.nz,
use the Flexibuzz App or
call 410 9551.

For extended holidays ie: more than one day, a request should be made to Mr McGowan for the time off. These requests can be emailed to:

admin@campbellsbay.school.nz.

This is a Ministry of Education requirement.

We work very hard at keeping your children safe at school and appreciate your assistance with our process.

Reasons for School Closure

The school is closed for instruction on Friday 2 June. Last week I received an email from a parent asking why the school was to be closed for teacher professional development in term time. Good question and one I should have been proactive in answering last week. Therefore, later rather than sooner, here is the explanation for the closure on Friday 2 June. No need to explain the closure on Monday 5 June!

- Each year the Ministry of Education establishes the number of days each state school must be open for instruction. While there are some limits established in terms of when schools can and cannot be open, such as the earliest/latest dates a school can start the school year and finish the year, plus when the term holidays must be taken, there is flexibility afforded to the Board of Trustees when it comes to determining opening dates bearing in mind the Board must ensure the school is open for the required number of days each year. This is non negotiable.
- This year a teacher only professional development day is being held on 2 June to enable all schools from CBS to Browns Bay, including the intermediate but excluding Rangitoto College, to get together to learn from each other and from outside speakers with the aim of improving our teaching of students who are not achieving in accordance with national standards. This is part of the Community of Learners our school is part of.
- As a school we endeavour to complete all school-wide professional development out of class contact time. An example of this are the professional development days we have each January before school starts as well as weekly professional development meetings when students have gone home.
- Many teachers participate in professional development in the holidays. In the recent holidays over ten teachers attended a two day maths course and in the up coming holidays we have eight teachers attending a professional development course on improving the effectiveness of classroom teaching. A number of our teachers are engaged in on-going post graduate programmes of study that require attendance in school holidays.
Having written this, teaching is a demanding profession and teachers need most of their holidays; hence we do our best to ensure teachers have a well-deserved break while also meeting important professional development needs.
- We do our best to keep any disruptions to parental routines to a minimum. For example, on 'parent-teacher' interviews days we do not close the school early but, rather, we supervise students until 3.00 pm. Next year, in an attempt to improve the start of the year, we are having 'getting to know you' interviews near the end of the January holidays. The date for this has already been published: Thursday 25 January 2018. This date has been selected so it will not interfere with term time.

In summary, we are meeting the requirement to be open on the required number of days while also engaging in timely and necessary professional development being mindful we keep any disruptions to parents at a minimum. That is why Friday 2 June has been selected for this professional development as it affords an opportunity for families to have a four day rather than a three day long weekend.

CBS WEEKLY NEWS ROUND UP

Each week the students of Campbells Bay School create a show called CBS WEEKLY NEWS ROUND UP.

This highlights all the cool things happening at CBS for the week.

It is available for viewing on the school Ultraset page. You child must be signed into their google CBS primary account to view.

Get your kids to show you how to do this.

Happy viewing.

Library Lovers

If you have a bit of spare time we would love to have your help in our library.

All volunteers will need to be police vetted so a regular commitment would be appreciated.

We do have small jobs like covering books that could be taken home.

Please email me if you can help.

APPA Music Festival Choir 2017

The Auckland Primary Principals' Association (APPA) Festival takes place in the Town Hall in November each year. This is a huge event which incorporates choirs from the greater Auckland region.

The APPA choir is for students who really enjoy music, who want to develop their voices and learn to sing in parts. While Year 6 will be given priority for this choir Year 5 students will be invited to audition should we be short of numbers.

Although the festival does not take place until November preparations are underway and auditions will take place soon. Our first introductory rehearsal with Marian Burns, our director, takes place at CBS on Tuesday 6 June.

I realise that many students are currently involved in the Mid Bays Festival Choir and for that reason further in-school rehearsals will be delayed until we have staged that event.

All announcements and reminders re.auditions will be made via cbtv so please remind your child to keep a look out should they be interested.

This festival has become a highlight in our musical calendar and I know your children are going to love being part of it!

Missing Scooter

Jai Hunt Room 18 has not been able to find his scooter since last Thursday.

It was last seen in the bike rack and had Jai's name on it 'Jai Hunt' in a few places. His spiderman helmet was with it too. It is a micro scooter in Sapphire blue.

If this scooter has accidentally turned up at your house or you know where it may be, please return it to the scooter rack or contact the school office.

Many thanks.

'Not Self But Service'

Auckland City Mission's 'One Can – Two Can'

CBS will be taking part in this Appeal from Monday 12 June – Friday 23 June and we are asking families to get behind this wonderful local cause.

'One Can – Two Can' is a huge part of the Auckland City Mission's Winter Appeal and they rely heavily on donations they receive from schools. Even a gold coin, or a single can, provides vital support and nutrition to a family in crisis.

Please support this community initiative by providing a can of food, or funds to cover the cost of a can, that your child can bring to school during this time.

Further information on this or the Mission's work in general can be found by contacting Mackenzie Koppel on 303 9261, or by visiting the Mission's website: www.aucklandcitymission.org.nz

Book Week 2017 will be held from Monday 27 November to Friday 1 December.

This year we want Book Week to be the best yet and the Book Week Committee is working hard to secure some amazing and talented authors/artists to inspire, enthrall and entertain us during Book Week.

This year we are seeking donations to sponsor author visits which will help us secure even more authors/artists. Author expenses range from \$250 for a full day visit to over \$1,000!!

There are two options for donation sponsorship:

1. A donation of \$100, \$250 or \$500 to go towards the overall author visits,

or

2. Donation towards a particular author visit. If you are interested in this option then please contact Tash Bartlett for a list of authors to choose from.

If you, your family or a local business you know of would like to provide a donation for Book Week then please contact Tash Bartlett at tashbart@gmail.com. All donors will be acknowledged throughout the year in Book Week communication.

PLEASE HELP US MAKE THE 2017 BOOK WEEK THE BEST YET!

Entertainment Books have been selling well - it seems a lot more digital memberships than physical books this year. Last year's books will expire on **JUNE 1st**.

Here is the link to purchase: <https://www.entertainmentbook.co.nz/orderbooks/9509j2>

Use only one or two of these offers; and you'll more than cover the cost of your membership!

The digital membership is accessed through the app named 'Entertainment New Zealand' on your phone and adds up your savings as you redeem.

The physical Books will remain at the school office until June 2nd, so there's still time to purchase a 2017/18 Entertainment Book.

20% of all book sales will come back as fundraising dollars for our school hall.
Thank you for your support!

Swim Team make it three in a row!

At the end of last Term our CBS Swim team competed in the North Shore Primary Schools' Swim Competition at the National Aquatic Centre at AUT Millennium.
