ANZAC Commemoration

The commemoration was very well supported by members of our community. We thank Warrant Officer Te Kani Te Wiata and Able Musician Oliver Furneux from the Royal New Zealand Navy for their excellent contribution to this important event in the school's calendar. The crosses on our field of remembrance, along with the wreaths made by each class, will be in place on the lawn by the office until the end of this week. In October last year I was privileged to be able to visit a Commonwealth War Cemetery in Crete that contained the graves of so many ANZAC servicemen from the WWII Battle of Crete. As WO Te Kani mentioned in his address when he spoke of visiting war cemeteries in Belgium and France last year, I was struck by this sheer numbers of ANZAC graves kept in immaculate condition. It was humbling to know that these young men, some seemingly barely beyond secondary school age, gave their lives so future generations could have the privilege of living in a democracy. These service men and women who lie in foreign soil gave the ultimate sacrifice and are the ultimate example of Not Self But Service.

Mathlete of the Week

Congratulations to Reena Yu from Room 5B.

You are Mathlete of the week!

The Mathlete of the week is the top student in the school who has mastered the most concepts in Mathletics.

Can you guess what Campbells Bay School had on Thursday 4th of May? We had a mufti day to raise money for Westpac Rescue Chopper Appeal. The people that dressed up mufti were the students at Campbells Bay School. We did it by donating gold coins to raise money for Westpac rescue chopper appeal. We raised \$1,224.70

By Brooke, Room 7

On Thursday the 4th of May CBS was holding a mufti day but you had to bring a gold coin to dress up in clothes. The whole school gave so much. Guess how much money CBS gave? 1,224 dollars. It was amazing and fun and the money went to the helicopter that helps people.

By Phoenix, Room 7

Cones Rule!

We have new cones for the bus bay that we hope encapsulate Campbells Bay School, namely a mixture of taking ourselves seriously and not taking ourselves too seriously.

These cones are deployed when the afternoon 042 bus is in the bus bay. Thank you to everybody who respects this is a no go zone while the bus is there. Compliance levels are very, very high.

Police Vetting: Urgent & Important!

Only adults who have had a police vet will be able to help with school activities from January 2017 onwards.

As obtaining a police vet takes time, if you are considering being available to help with school activities in any way in 2017 please act now, as follows.....

Please go to the school website to 'Police Vetting for Volunteers at CBS' under Parent Information and complete the form and attach photocopies as per the instructions.

Please note a police vet remains current for three years after the date of issue by the police.

POOL Keys

The school swimming pool has now closed.

Several keys are still to be returned.

We kindly ask that all pool key holders return their keys immediately.

Many thanks.

Tēnā koutou katoa,

This is an open invitation to staff, whānau, family and community members to join the Campbells Bay School te reo and tikanga Māori committee.

Increasingly, New Zealanders understand that te reo Māori and tikanga Māori are essential components of Aotearoa's heritage. While they define Māori identity in particular, they are integral to the identity of all New Zealanders and help us to understand our shared history and place in the world. This vibrant language supports the development and celebration of our national identity, enhances the mana whenua of our indigenous people and contributes to a creative and successful economy.

The New Zealand curriculum acknowledges the principles of the Treaty of Waitangi and the bicultural foundations of Aotearoa New Zealand. It stipulates that all students have the opportunity to acquire knowledge of te reo Māori me ōna tikanga.

The work of the committee will be to guide the vision for te reo and tikanga Māori at Campbells Bay School. The committee will meet next Wednesday May 10th in Room 9 between 12:40 - 1:15. The objective of the meeting will be to review te reo and tikanga Māori at CBS and create a vision for the future. If you are interested in becoming a part of this committee, please rsvp to mathewo@campbellsbay.school.nz

Ngā mihi,

Mathew O'Hagan

Library Lovers

If you have a bit of spare time we would love to have your help in our library.

All volunteers will need to be police vetted so a regular commitment would be appreciated.

We do have small jobs like covering books that could be taken home.

Please email me if you can help.

Road Safety Week 8 - 14 May 2017

Road Safety Week 2017 will take place 8 - 14 May, and will coincide with the 4th UN Global Road Safety Week and the theme is Save lives #SlowDown, in line with the UN theme.

Road Safety Week is a community event held annually in May, promoted by Brake. It's our opportunity to get great publicity and attention for the worthy road safety campaign.

We are helping raise awareness of the terrible carnage on NZ roads by being involved in Road Safety Week.

CBS will promote road safety outside CBS before school this week by displaying 'Keep Us Safe, Slow Down, Save Lives' messages on placards.

Kids Haven't Changed.....

A little while ago the words of Frank Martin were widely reported. Probably like you I had never heard of Frank Martin as (probably like you) I don't follow US college basketball. However, I can see why his comments were reported beyond the sporting realm as they have relevance to us all. Putting aside what could be described as the hyperbole of being 'sick to the stomach' and 'not knowing anything' the message resonated with me. Over to Frank:

"You know what makes me sick to my stomach? When I hear grown people say that kids have changed. Kids haven't changed. Kids don't know anything about anything."

We've changed as adults. We demand less of kids. We make their lives easier instead of preparing them for what life is truly about. We're the ones that have changed. To blame kids is a cop out."

As adults we are the ones that set the context our children find themselves in. As adults we are responsible for making the rules and enforcing them, or not enforcing them. We are the ones that make so many decisions about how we will parent, teach and relate to children. We decide if they should access screen time and at what age and under what conditions. We 'set the weather' for our children. I think this is even more so for our pre school and primary/intermediate aged children. To slightly misquote another American, Harry Truman, 'The buck stops with us.'

Nobody said being an adult responsible for children was ever easy although, as an aside, it is a whole lot easier being a grandparent ☺ I don't know how you feel, but I think Frank's words are worth reflecting on.
