Dear Parents/Caregivers

IMPORTANT INFORMATION: Year 5 & 6 students

Monday 17 and Tuesday 18 September

Students involved in the *orchestra, dance, drama/extras, backstage props or main cast* will have extended rehearsals at the Bruce Mason Centre (BMC) on Monday 17 September and Tuesday 18 September.

Students will come to school as usual on Monday and Tuesday but wearing their base costume (black pants and top - please see letter on the school website about costumes). The orchestra will come to school in their school uniform as usual.

Throughout the day we will bus the students to the BMC in order to rehearse. The students need to bring with them in a bag:

- * A water bottle
- * Morning tea, lunch and afternoon tea. NO Lunch orders will be available for these children. Please ensure they have plenty of food to last them the day.
- *A book
- *Their pencil case

As there is going to be some down time during the day as the children are waiting for their turn on the stage, we will have a movie available for them to watch. This will either be G or PG rated.

Parents of children in the orchestra, dance, drama/extras or main cast are requested to collect their child from the Bruce Mason Centre at 6.00pm on Monday and Tuesday nights.

We envisage the running time of the show will be one hour and fifteen minutes approximately.

Regards

Team 5 & 6
